Remarks

Welcome to Palm Island. This vacant lot is located on the widest harbor with no bridge obstruction to the coastal waterway and the Gulf of Mexico. The western exposure over the 400 plus feet harbor offers beautiful views of Florida sunsets. The lot size is 80 feet on the road, 80 feet on the water and approximately 180 feet deep which offers almost a third of an acre which is larger than most waterfront lots on Palm Island. This oversized lot will support a large home, swimming pool and plenty of open space for privacy. This location has been a favorite of buyers over my 25 years of experience of selling here on Palm Island.
